More Appear very good quality. Beautiful bright yellow, heavy material. It strokes well with hot steamed iron. I can't wash them yet. Personally would like them in a wider width, but can purchase a second pair and sew together for a wider window to make a fuller curtain. The delivery was on time. Good price on all sides. Our commitment is one of the best quality available for comparable products. The best prices in the UK are guaranteed, as for both products. One of THE FASTEST DELIVERY in the UK. 95% of orders sent on the day of the order. Easy, friendly, fair and trouble-free policy of return and prompt refunds. Provide affordable and friendly customer care in the UK. Founded in 2000, we are proud to be a British retail company globally, providing high quality, ethically made, department store quality home furnishings. Built on traditional family values and strong entrepreneurial spirit, Homescapes is a close-knit and happy community of people with our client at the center of everything we do. We started out as a supplier of retail chains and luxury international hotel groups. In 2006 we decided to go straight to consumers as we found retailers cutting corners on quality and not providing better value to consumers. We were convinced We can offer better quality, affordable prices and much higher service than what is offered to consumers. Over the years, successful relationships with millions of our clients have confirmed our faith. Homescapes is currently the leading online homewares store in the UK with a significant presence in Europe and presence in more distant markets. Homescapes has its global headquarters, a large distribution centre and manufacturing facility in the West Midlands, UK. Additional distribution centers in Europe, and also has a production base abroad. We design and produce the vast majority of our products, so we are able to provide uncompromising quality and the most affordable prices. Homescapes has production in the UK and also owns factories abroad. Aside from working with specialized units and artisans (women) to bring you the best quality at affordable prices from around the world. Often, low prices equate to low quality, but Homescapes customers know what to expect from us in terms of extremely high value for money. This is the reason that our re-customer level is exceptionally high and our customers love to recommend us to their friends and family. The key to super fast delivery is the Huge Stock and Effective Distribution Centre We keep more than 7,000 food lines in stock in our West Midlands distribution centre. All orders (not furniture) are placed during the working day after receipt. We do not sell items that are not in stock and rarely drop the ship. Most customers are amazed at the speed of receiving their orders from Homescapes, as can be seen from thousands of feedback from our customers, especially complementing our fast delivery. Homescapes offers one of the widest variety to choose from in the UK in many ranges. We pride ourselves on offering one of the UK's largest selections of plain cotton bedding, pillows, leather blankets, artificial orchids and cacti plants, poufs, cotton throws and woven jute, cotton and leather carpets. We also have the largest assortment of 100% solid wood mango furniture. We are also one of the largest online pen stores filled with pillows, pillows and blankets in the UK. Don't forget that our products are exclusive and not available elsewhere. Take a look at our reviews and its obvious that our customers love the services we provide to them. Swift returns processing and refunds. A fair and prompt solution to any problems that may arise in the client. Personalized customer requests processing in a polite and efficient manner. The so-called old-fashioned good service will never go out of fashion on Homescapes, and that's what makes us refreshingly different.
